

AWS

Account Creation

Team Emertxe

- In order to start pumping data to the cloud, we need to create a device interface
- These slides would guide you to create login accounts in some commonly used AWS

- Open your favorite browser and type (or click) the following URL

<https://aws.amazon.com/>

- And proceed to the following slides

Note: There is a possibility of version updation in the cloud side, so some slides may vary!
